\*The Breeze Agent Bonus is offered at the sole discretion of Breeze. It is subject to change at any time and to acceptable business quality. The starting date for a respective agent's 30 day bonus period is determined by when said agent receives their co-branded agent landing page. A "paid case" is defined as a case in which the client submits an application, is issued coverage, and the initial premium is paid. Agents may earn up to \$1,500 in bonuses in their first 30 days, paid out monthly over the course of their first year.
